### **The Results Companies Repeats as 2015 Best Voice Excellence Company of the Year**

*Third Consecutive Year Company Recognized by ICT as a Premier BPO & Customer Experience Provider*

MANILA, PHILIPPINES, March 25, 2015 – The Results Companies, a leading global provider of Customer Experience Management services and Business Process Outsourcing solutions, announced today that it has been named *2015 Best Voice Excellence Company of the Year* in the Philippines.

The award was presented to The Results Companies at the Eighth Annual International Information and Communication Technology Awards Ceremony, held on Thursday, March 24, 2015, at the Marriot Hotel Manila. The Canadian Chamber of Commerce of the Philippines (CanCham), in association with the International Technology and Business Process Association of the Philippines (IBPAP), hosted the awards ceremony which recognizes the outstanding achievements and excellence in organizations and individuals within the Information and Communications Technology community in the Philippines.

“It is a distinct honor to once again be recognized as *The Best Voice Excellence Company of the Year* in the Philippines by ICT International,” stated Alec Brecker, President and CEO of The Results Companies. “We are absolutely delighted with this recognition as it simply validates our philosophy of placing customers at the center of everything we do. Winning Best Voice Excellence in consecutive years and being recognized as Fastest Growing BPO in 2013 is a tribute to our employees and the incredible growth The Results Companies is experiencing globally.”

This award is the latest addition to a number of accolades for The Results Companies, including recent recognitions by The Temkin Group and Contact Center World for Customer Experience excellence.
