The Results Companies to Host Upcoming 2016 CXPA Event – CX Day

Premier Customer Experience Provider to Host Customer Experience Event

FORT LAUDERDALE, FLORIDA, September 22, 2016 – The Results Companies is pleased to be hosting another Customer Experience Professional Association (CXPA) Local Networking Event for the South Florida chapter. Results is excited to once again be a part of the international celebration for Customer Experience (CX) Day in line with the annual Customer Experience week.

When: Wednesday, October 5, 2016

6:00PM - 8:00PM

Where: Vinos on Las Olas

2 E Las Olas Blvd

Fort Lauderdale, FL 33301

Come join us for a wonderful evening with other CX professionals and special guest speakers representing **Vinos on Las Olas** and **Hoffman's Chocolates**.

Vinos on Las Olas and Hoffman's Chocolates are two booming businesses on Las Olas that have become favorites to many of Fort Lauderdale's visitors and locals alike.

In 1975 Paul Hoffman purchased a small candy shop in Lake Worth, Florida and **Hoffman's Chocolates** was born. His goal was to start a business that combined his two great loves, homemade chocolate and spending time with his family. Hoffman's Chocolates also has a wonderful reputation that dates back to over 40 years.

Vinos on Las Olas first emerged in 2012 and its wonderful reputation has been steadily growing ever since. It is a relaxed and unique place to enjoy fine wine, craft beer and light fare with a knowledgeable and friendly staff.

The combination created a place where you not only get to satisfy your sweet tooth but also get the pleasure of being treated sweetly with an amazing staff. Hearing from both companies is sure to be informational as well as rewarding.

This is a great opportunity to network with other CX professionals in the area, learn more about CXPA and share your experiences, stories and solutions about important CX topics all-the-while enjoying delicious edibles from Vinos and Hoffman's.

Our event is free to all CX professionals (members and non-members of CXPA), so please register in advance and we look forward to seeing you soon! For more information on this event and register [click here](#).
