“The Results Companies is tremendously proud to now be a part of the Palestine community. It is an honor to be provided the opportunity to have the people of Palestine aid in our ultimate goal - delivering exceptional results! This new connection does not only mark a new business venture, it also exemplifies the beginning of a long term relationship with the city and its community. We understand the value in contributing a helping hand when our communities are in need and have collaborated with The United Way to assist Palestine as well as surrounding areas impacted by the recent floods. There

will be continued support and effort amidst the disastrous event that has taken place. We look forward to building a strong partnership with Palestine that is sure to flourish,” said Heather Johll, Vice President of Operations.
